

Estates of Lawsonia

Part of the Northwest 1/4 of the Northwest 1/4, part of the Northeast 1/4 of the Northwest 1/4, part of the Southwest 1/4 of the Northwest 1/4, part of Government Lot 3, and part of Government Lot 4, all in Section 30, Township 16 North, Range 13 East, and part of the Northeast 1/4 of the Northeast 1/4 of Section 25, Township 16 North, Range 12 East, Town of Brooklyn, Green Lake County, Wisconsin

Bearings are referenced to the North line of the NW 1/4 of Section 30-16-13 Assumed to bear S89°33'59"W based on the Green Lake County coordinate system

Access Restriction Clause

Lots 94 and Outlot 5 are hereby restricted so that no owner, possessor, user, licensee, or other person may have any right of direct vehicular ingress from or egress to any highway lying within the right-of-way of S.T.H. 23 as shown on this land division map; It is expressly intended that this restriction constitute a restriction for the benefit of the public as provided in a 208.203, Wisconsin Statutes, and shall be enforceable by the Green Lake County or its assigns. Any access shall be allowed only by special exception. Any access allowed by special exception shall be confirmed and granted only through the driveway permitting process and all permits are evocable.

Highway Setback Restriction Clause

No improvements or structures are allowed between the right-of-way line and the highway setback line. Improvements and structures include but are not limited to, signs, parking areas, driveways, walls, septic systems, drainage facilities, buildings and retaining walls. It is expressly intended that this restriction is for the benefit of the public as provided in section 228.263, Wisconsin Statutes, and shall be enforceable by the Wisconsin Department of Transportation or its assigns. Contact the Wisconsin Department of Transportation for more information. The phone number may be obtained by contacting the County Highway Department.

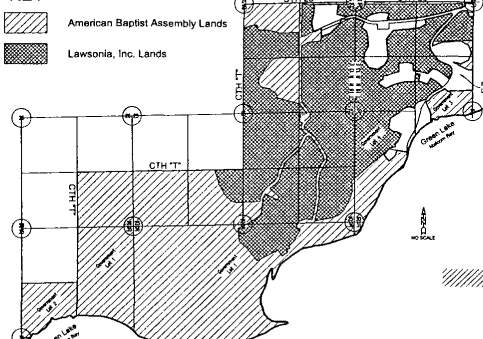

Noise Abatement Clause

The lots of this land division may experience noise at levels exceeding the levels in s. Trans 405.04, Table 1. These are based on federal standards. The department of transportation is not responsible for abating noise from existing state trunk highway or connection highways. In the absence of any increase by the department of the highway's through-lane capacity.

Utility Easement Provisions
 An easement for electric and communications service is hereby granted by American Baptist Assembly, Inc., Lawsonia, Inc., and Lindenwood Development, LLC, Grantors to:
 WE Energies, Grantor
 Century Tel, Grantor
 Alliant Energy, Grantor
 and
 Charter Communications, Grantor
 Their respective successors and assigns, to construct, install, operate, repair, maintain and replace from time to time, facilities used in connection with overhead and underground transmission and distribution of electric and electric energy, gas, telephone and cable TV facilities for such purposes as the same in now or may hereafter be used, all in, over, under, across, along and upon the property shown within those areas on the plat designated as 'Utility Easement Areas' and the property designated on the plat for streets and alleys, whether public or private, together with the right to install service connections upon, across within and beneath the surface of each lot to serve improvements, street, or an adjacent lot; also the right to trim or cut down trees, brush and roots as may be reasonably required incident to the right herein given; and the right to enter upon the subdivided property for all such purposes. The Grantors agree to restore or cause to have restored, the property, as nearly as is reasonably possible, to the condition existing prior to such entry by the Grantors or their agents. This restoration, however, does not apply to the initial installation of said underground and/or above ground electric facilities or communication facilities or to any trees, brush or roots which may be removed at any time pursuant to the rights herein granted. Buildings shall not be placed over Grantor's facilities or in, upon or over the property within the lines marked Utility Easement Areas without the prior written consent of Grantors. After installation of any such facilities, the grade of the subdivided property shall not be altered by more than four inches without written consent of grantors.
 The grant of easement shall be binding upon and inure to the benefit of the heirs, successors and assigns of all parties hereto.
